**Bylaw** Article  Section  Title

**Standing Rules:** Number  Paragraph  Title

Presently Reads:

The elected officers of TREA shall be a President, First Vice, Second Vice, Third Vice, Treasurer and two Directors.....

Change To Read:

The elected officers of TREA shall be a President, First Vice, Treasurer and two Directors.....

Rationale For Change:

The 3rd Vice position has been vacant for the past two years. The 2nd Vice position was recently vacated when the sitting 2nd Vice moved up to 1st Vice when the 1st Vice resigned due to health issues.

With the decreased membership there is no need for three Vice positions on the board. Having a President and a Vice President is sufficient.

The standing committees of TREA shall be: Awards, Bylaws & Standing Rules, Annual Membership Meeting, Finance, IT, Legislative Affairs, Membership, Public Relations, Financial Assistance for Veterans (TREA GIVES/Benevolent), and Scholarship.  
(continues)

Change To Read:

The standing committees of TREA shall be: Awards, Bylaws & Standing Rules, Annual Membership Meeting, Finance, IT, Legislative Affairs, Membership, and Public Relations.

Rationale For Change:

Scholarships should be moved to TREA GIVES to better align with the TREA GIVES benevolent mission. This move also allows for more corporate/company sponsorship due to TREA GIVES' 501(c)3 status.

Bylaw Article  Section  Title

**Standing Rules:** Number  Paragraph  Title

Presently Reads:

none - it was removed in 2024

Change To Read:

reinstate the JROTC award program - as it was originally recorded, in its entirety for as three-year trial.

Rationale For Change:

The JROTC program was removed in 2024 due to the reduced request for awards. Keeping the awards in stock was an unnecessary expense for the organization. We now believe that the reduced requests was a carry over from COVID. This past year, we received over 100 requests for the TREA JROTC Award and we feel that it is a missed opportunity to get TREA's name out into the community. This would be a three-year trail with an evaluation done before restocking inventory. In order for this program to be successful, TREA's presence at JROTC events/ceremony is paramount. While we know that we cannot fulfill all requests for in-person presentations, we will try to attend as many as possible. Media Press Releases will be sent out and local papers will be notified.
