- Secured expansion of Veteran' access to care via the MISSION Act, which means veterans are able to choose VA provided care or select a health care provider in the local community
- Extended VA's caregivers program with the MISSION ACT to Veterans of all eras who were seriously disabled, meaning thousands of seriously disabled veterans are now eligible to have their caregivers receive benefits.
- Secured passage of the 'Widows Tax' which provides survivors of deceased military members up to \$12,000 more per year in compensation.
- Actively engaged and secured Commissary reform efforts to benefit military servicemembers, veterans and their families.

Your membership will sustain us in battles to come.
